To the was burning forcely when the tire men arrived after a resizing risk at 2 legroes below zero. Police Officer Barry discovered the fire, which was cating it- was through the first floor from th eller. The flames had evidently beutiged by an overhoused furnace for a note in the floor six feet long and four feet wide had been burned about the register. The building was filled with noke and the cold numbered the Work of the tiremen to some extent but the tire was confined to the flaoring. Three streams of water and the chemical werrequired to extinguish the fire collding is insured for \$1.000 and the property stock for \$1,300 and the less will probably he not have than soon or less, mostly from smoke. The O'Drien fire came next, about 1933

the forenoon. Mrs. O'ltelen and the curants of the house were enground in the wing out frozen water pipes n the rollar of the ell of the house when the fire broke out. At first it did of seem dangerous and an effort was the firemen but the dames opread rapidthrough the partitions to the roo and when an alarm was sent in from sex 57 the fire was making great coursess. A telephone call was sent into station one a few seconds before the memeral alarm was sounded and the percan telephoning created some confusion or giving the address is 10 Church errort imstead of 139 King street. sucomabile truck went down Church street and the men saw where the comble was when they reached the corner of Main. The other truck went up the street without discovering any when the general alarm was sounded.

The fire proced a stubborn one in the artitions and it was necessary to cut into the spaces between the wails. Four streams of water were used and considerable time was required to get the blaze out. The fire also spread about the cellar and burned a number of and the court dismissed him arricles there. The damage will not b so great as might be supposed because nost of the water went directly through to the cellar. A number of hotes were made in the walls in getting at the fire but the main part of the house is not durmaged at all except by smoke. The building is covered by insurance and the loss is estimated at \$600 or \$700.

The other two alarms were sent in at was for a "touching up" call at the ouse, where some embers were a Joseph Rosenberg on Haswell street. stitutuisher down the claiming. was caused by an overheated stove.
